Lien Van Ongevalle

FINANCE EXPERT

Graduated from a Master degree in Finance & Risk Management.

Started as a Financial Auditor at EY resulting in a profound accounting knowledge (BE GAAP, US GAAP, IFRS).

Since 2018 fulfilled different roles in finance with supervision on accounting - & controlling teams:

- **Domo Chemicals** | Chief Audit Executive

Started internal audit department for Domo Chemicals Group from scratch.

Auditing the financial processes throughout the group (worldwide) including managerial reporting was the first priority

Reported directly towards Group Controller, CFO & Chairman of Audit Committee (Herman Daems)

- **KEI** | Financial & Operational Director

8 direct reporting lines, in total 85 FTE under supervision

Responsible for accounting- & controlling team, invoicing department, IT & Facilities (technical-, kitchen- & cleaning team)

Direct reporting to Board of Directors

Main achievements: food cost analysis resulting in yearly 230k € cost cut, IT contract analysis resulting in a yearly 25k € cost cut, digitalizing of investment request cycle, introducing detailed ROI calculation for decision making

- **Klief & Zeepreventorium** | Financial Controller

Assisting in 30/6 closing preparations

Optimization of the accounts receivable management

- **Viro vzw** | Finance, Facility & IT Director

Responsible for accounting- & controlling team as well as IT team.

Main achievements (finance): operational continuity, crisis management within the accounting- & controlling team, preparing budget 2025 including different cost calculations, in-depth analysis of housing- & living costs of residents, in time obligatory reporting to Belgian government

Main achievements (IT): operational continuity, crisis management within IT team, NIS2 assessment & action plan

- **Tordale vzw** | Finance Support

Ad hoc assistance within the accounting- & controlling team (1 day per week)

Main achievements: updating masterplan, preparing budget 2026, preparing VIPA subsidiary request

PROCESS ANALYSIS - & INTERNAL AUDIT EXPERIENCE

Started career in financial auditing at EY, followed by an extended career in internal audit & risk management.

Experience in both private - & public sector. Non-exhaustive list of performed internal audit assignments:
